

CHAPTER 18 SAFETY WHEN AEROPLANE OPERATING ON THE GROUND

18.01 Prescribed persons

For subparagraph 91.425 (2) (a) (iii), a person operating an aeroplane for maintenance or maintenance training is prescribed as a kind of person who may start the engine of an aeroplane or cause the engine to be started.

Note For this section, the aeroplane must be secured from moving: see paragraph 91.425 (2) (b).
